

**Vessel Name:** *Doreen Too*

### Description

The ***Doreen Too*** is a magnificent purpose built timber charter vessel. At 55ft she is a classic, weighs 75 tons and underwent a major refit in 2003 / 2004.

You can expect to travel with experienced & trusted hands. Three crew members accompany extended trips and they pride themselves on their attention to details and service. The catering is superb and is complimented by fresh local produce and seafood.

Travel to the remote Cape York waters where the fishing is simply 'awesome'. Little fished reefs including the famous 10 Ribbon Reefs on the continental shelf, Princess Charlotte Bay, the productive grounds near Lizard Island and the Bathurst Islands are just some of the options you can choose to visit.

Each trip's agenda is arranged in consultation with the clients.

Fishing from the vessel is allowed and the night fishing is sensational. They also take two 3.5m Quintrex tender boats to explore nearby locations / rivers & estuaries (note appropriate boat licence must be produced).
