

Vessel Name: *Driftmaster*

Description

Driftmaster is a brand new 4.6m Cairns Custom Craft "Barra Punt" designed to suit lure and fly fishing in the tropical rainforest rivers and estuaries of the Far North.

It features a 50 hp Yamaha Outboard, 55lb Thrust Minn Kota Electric, Hummingbird sounder, in built rod and lure storage so nothing gets in the way or under your feet.

It is fully equipped with the latest tackle, Shimano, Loomis, Sage, System II etc. or you are welcome to bring your own. Driftmaster also carries a large range of lures and flies that work on local fish.

Calm water lure and fly fishing specialists, day and extended charters.
