

Vessel Name: *Jabiru*

Description

The Jabiru is a Custom built 5.8m Sportfish. Ideal for the full day river fishing (live bait) lure and fly charters, she is in current Government Survey with all safety equipment, designed and built for the local conditions.

The vessel features padded seating, shade canopy, live bait tanks and electric sounder. This style of boat is almost flat bottomed with a V nose to provide a comfortable ride, and access to shallow areas of estuaries and rivers.

Charters
