

**Vessel Name:** *New Moon III*

### Description

New Moon III is a state of the art 43ft O'Brien Sportfisher launched in September 1999. She features the latest in electronic equipment and comfortably sleeps 6 people with an ensuite to a main cabin and a four berth forward cabin for extended and overnight charters.

For extended live aboard charter work she has a fresh water maker, ample fridge and freezer capacity and a split air-conditioning system for optimum cabin comfort. The galley is equipped with cooktops as well as convection and microwave oven. Entertainment extra's in the saloon include TV and video with playback facility as well as 6 stack CD player.

The electronic system features the latest SIMRAD technology, forward scanning sonar, multiple GPS plotters and sounders. Fishing features include first class custom tackle, built-in Tuna-Tubes, live bait and brine tanks.

Specialising in day charters, light tackle share or sole charter options, lure, fly or popper casting, heavy tackle (seasons apply) and extended or overnight charter work. New Moon's skipper is very experienced and is the winner of many tournaments.
