

Vessel Name: *Reel Ripe*

Description

Reel Ripe is a custom built 12 metre (43ft) O'Brien game fishing vessel launched in September 2003. She features the latest in electronic equipment and comfortably sleeps 6 people with an ensuite to the main cabin and a four berth forward cabin.

For extended live aboard charter work she has onboard a fresh water maker, ample fridge and freezer capacity and a split air-conditioning system for optimum cabin comfort. The galley is equipped with cooktops as well as convection and microwave oven. Entertainment extras in the saloon include TV and video / DVD with play back facilities as well as CD player.

The electronic system features the latest SIMRAD technology, multiple GPS plotters and sounders. Fishing features include first class custom tackle, built-in Tuna-Tubes, live bait and brine tanks.

Specialising in day charters, light tackle sole charters, lure, fly or popper casting, heavt tackle (seasons apply) and extended or overnight charter work. Reel Ripe's skipper is very experienced and together wiith her crew will make your fishing adventure a memorable one.
