

Vessel Name: *Reel Work*

Description

Reel work is a modern, mini game vessel designed to cover all aspects of sports fishing from ultra light tackle, mixed reef fishing to heavy tackle marlin fishing (seasons apply). She is a new 31ft Bridgedeck Sportfisher (upgraded sister ship to Pitate). She is a lean mean fishing machine ideal for day work.

She can take up to 6 guests on day charters (max. 4 for heavy tackle marlin or GT popper fishing) and powered by twin 270 hp engines giving her a cruise speed of 22 knots to get you to the fish fast.

For novice through to the most experienced sports fisherman.

Reel Work is based in Cairns for the Heavy Tackle black marlin season (She will be available for Sole and Share charters from October 1 to mid December) and operates from Mission Beach / Port Hinchinbrook at other times of the year giving quick access to these southern grounds.

Specialising in sole & share charter day trips.
