

**Vessel Name:** *MV Sanity*

### Description

Sanity is a state-of-the-art 8.5 m Cairns Custom Craft launched in December 2004 and suitable for day charters. The electronic systems include the latest Furuno technology, GPS plotters and sounders.

Fishing features include first class custom equipment for heavy tackle, light tackle and reef fishing. There is also a live bait tank.

MV Sanity and her crew specialise in sport-fishing, heavy tackle (stand-up), light tackle, lure, fly, popper casting, and jigging (seasons apply). The skipper and crew have many years experience and are the winners of many game fishing tournaments across northern Australia and Papua New Guinea.
