

Vessel Name: Watchdog

Description

Watch Dog is a brand new, state of the art 40ft Black Watch. With almost 1100 hp powering her, Watch Dog can get you to those remote fishing destinations quickly, allowing you more fishing time to catch that big one.

Built by Black Watch in 2008, she is considered one of Australia's most versatile and comfortable live aboard sport fishers in her size. Her two air-conditioned cabins comfortably accommodate four anglers and her power and water making facilities make extended or live aboard charters a perfect option.

Charter Option

- Heavy Tackle : Complete set of 130lbs and 80lbs shimano tiagra equipment
- Medium Tackle : Complete set of 30lbs to 50 lbs shimano tiagra equipment
- Light Tackle : Complete set of 16lbs shimano tiagra equipment
- Popper casting/Jigging : top of the range penn spinning reels
- Reef/Bottom Fishing : The use of over head reels through to hand lines if preferred.

Coastal cruising or even snorkelling trips on the outer reefs also available.

Watch Dog is perfectly appointed to provide superior speed, manoeuvrability and comfort and is ideal for day trips, live-aboard charters or even working with a mother ship on Australia's Great Barrier Reef.

What ever your requirements, talk with our experienced crew how we can tailor a perfect charter package for you.
