

**Vessel Name:** *Weipa Fishing Adventures*

**Description**

Regardless of your age or experience Dave and his team can help you catch the fish you most desire. Whether it's for dinner or a trophy, they know where to find them!

Lure, fly and bait fishing specialists these guys fish the extensive mangrove lined tidal estuaries, rocky headlands, sand flats, near shore islands and reef structure. Targets include barra, mangrove jacks, GT's, queenfish, fingermark, golden trevally, tuna, mackerel, cod, salmon, black jew, giant herring, and permit .

This operator has three custom-built sportfishing punts at his disposal, the ideal vessel for day charters in the Cape York waters around Weipa. Clients are encouraged to bring along their own fly outfits, and backup tackle is available along with local flies that work.
